Triple 21 Classic

The Down Syndrome Partnership of North Texas (DSPNT) was founded in 1992 with one goal in mind—to support individuals with Down syndrome and their families through education, outreach, services, and support. Serving more than 2,000 individuals each year, our mission remains focused on creating programs and services that empower individuals with Down syndrome while helping families advocate for inclusion throughout our community.

The Triple 21 Classic Car Show is the next chapter of the beloved Connor's Car Show. Presented by the Down Syndrome Partnership of North Texas in partnership with the friends and supporters of Connor's Car Show, this event continues the tradition that participants and spectators have come to know and love. From classic and custom cars to muscle cars, trucks, and modern performance vehicles, Triple 21 Classic brings together automotive enthusiasts, families, and our community for a day of incredible vehicles, awards, vendors, food, entertainment, and fun.

Most importantly, every dollar raised through the Triple 21 Classic directly supports the programs and services of the Down Syndrome Partnership of North Texas. As a sponsor, you'll not only gain valuable exposure for your business, but you'll also make a lasting impact on the lives of individuals with Down syndrome and their families throughout North Texas while helping preserve a cherished community tradition.
