CALL

Congratulations on the birth of your new baby from The Down Syndrome Partnership of North Texas!

The Down Syndrome Partnership of North Texas (DSPNT) supports individuals with Down syndrome, their families and caregivers in achieving the universally desired goals of self-fulfillment, pride in one’s achievements, inclusion in the community and reaching one’s fullest potential through social and educational activities.

The Down Syndrome Partnership of North Texas’ **Parent’s First Call** (PFC) program is designed to connect a newly diagnosed family with a trained parent volunteer. Volunteers provide accurate, up-to-date information and answer questions and concerns in a confidential and supportive manner. They also deliver a basket with resources, books and gifts that is specially prepared by The DSPNT. All of our volunteers are trained and must pass a criminal background check.

Due to privacy concerns, the hospital cannot share your information with The DSPNT without your permission. If you would like to connect with us, please complete the following information:
